

CHICAGO SINGLES GOLF

Chicago Chapter - American Singles Golf Association - May 2022

JUST A CHIP AND A PUTT...

Those of you who have been with us awhile know how the outings work. For any new members, you'll catch on quickly:

1. Sign up for an outing via an email to the event coordinator prior to the RSVP deadline. Tell them if you're riding or walking.
2. Make sure you get a confirmation email back. If not, follow up.
3. Receive the list of pairings from the coordinator a few days before the outing.
4. Pay the course for your golf when you arrive at least 30 minutes prior to your tee time. Chip in for any contests the coordinator has arranged if you want to be eligible to win.
5. Enjoy your round of golf!
6. Either stick around for a drink while you recap your game with the rest of the group, or proceed to the dinner venue if one has been arranged. The drinks and/or dinner tab is on your own.
7. Rainouts can happen. It will be up to the course as to whether we'll play. If the course is open, and you don't

show up, you may still owe for your tee time.

We still need coordinators for a number of outings, including Ravisloe on Saturday, May 28, Glencoe on Sunday, June 5, and Mistwood on Wednesday, June 8, all of which are coming up quickly. Please email me if you can coordinate any of these.

Check the website for the upcoming outings, and if you don't see a coordinator assigned to one, please consider signing up to run it. It's pretty easy to do. Just take RSVPs, notify the course of the final count, send out pairings, and arrange for contests and a dinner venue if you're so inclined. It's a great way to get to know everyone.

I hope to see many of you at the kick-off event on May 14. It should be a beautiful day for golf and getting back together!

President's Corner

We are still searching for someone to step up and volunteer to be our president! If you enjoy golfing with Chicago ASGA, please consider helping out. It would be much appreciated. Please contact any board member for more information.

Golf Chair's Message

The golf season is back, and somehow, so am I! I'm really excited about the golf; the golf chair position... well, the jury is out (LOL). Hopefully all of our members will make my job this season relatively easy by volunteering to run some outings, signing up early (don't wait until the last minute, folks), and showing up to play!

Kick-Off Event

Golf sign-up deadline has been extended to Tuesday, May 10.

Hope you don't miss our big Season Kick-Off Dinner! The food at River Bend's Wheatstack restaurant is quite good (I've sampled our buffet offerings!). We have reserved space in their beautiful bar overlooking the course.

Unfortunately, I will have to leave before the dinner starts. I will miss celebrating our Season Kick-Off with everyone! My thanks to **Ruth Wiechmann Browne** who will be checking people in and making sure the buffet stays stocked so no one goes home hungry. I'm sure a fun time will be had by all and see you on the links!

The club offered to reserve tables for us on the patio or in the grill for after golf. Please indicate in your signup email to **Sharon Meyer** (smgolfgirl@gmail.com) whether or not you plan to stay to dine after golf. Also don't forget to indicate if you are walking or riding. Fingers crossed for good weather!

- 2) You write-in your identification (either your member number or first initial + last name) on each of the tabs. Use scissors to cut the tabs apart.
- 3) You print as many signs as you wish, keep them in the front seat of your car along with some push pins and post them ***anywhere you're permitted*** to post, e.g. golf shop bulletin boards, golf shop restrooms, driving ranges, stores, etc. ***If you would like ASGA National to print five (5) yellow signs for you, please let us know by emailing Irene@SinglesGolf.com or calling 980-833-6450 from 9am-1:45pm, M-F, Eastern.***

IN ADDITION, WE CAN SEND YOU FREE BUSINESS CARDS!

As you have seen from the previous two pages of this newsletter, ASGA National is committed to seeing your chapter grow. We believe by asking each individual member for help, your chapter will grow its membership.

Besides using just the yellow signs to gain more members in your local chapter, **upon request** we will also provide you with ASGA business cards as shown below. More can be sent to you if needed, but we'll start out by sending you 25 business cards that you can give to anyone you believe might be a potential member. Are you out and about and see someone wearing a golf shirt or hat? **Start a conversation:** tell them you're a part of a local club for singles who play golf and simply ask **"are you single?"** Even if they aren't, chances are they know a golfer who is. Give them a card that's pre-filled with you name (or member #) and contact info.

Remember, you get free dues for referring 3 new folks who join!

Below shows how your business card appears. They don't come to you automatically, you'll have to order them. E-mail Irene@SinglesGolf or call 980-833-6450 (9am—1:30pm, Mon-Fri, Eastern) for your free 25 cards.

COVID-19 Rules and Handicapping FAQs

The guidance below supplements a memo released by the USGA as to how the Rules of Golf and Rules of Handicapping apply in response to questions received from golf course owners, administrators, tournament organizers and golfers. As was noted in that memo, it is not the intended purpose of the below guidance to either encourage or discourage anyone from playing the game, but rather, in our governance role, to help golf course operators, committees and golfers better understand how the Rules of Golf and Rules of Handicapping apply to the various questions we have received.

The questions received fit into four main topics. In each of the four topics below, the guidance provided serves both to directly answer the questions asked as well as cover additional considerations that might also serve useful.

FLAGSTICK

May a course remove all flagsticks to minimize the possibility of exposing players to coronavirus?

May a committee introduce a code of conduct that does not allow players to remove (or even touch) the flagstick?

- The flagstick serves an important purpose in the game of golf – that is as an indicator to a player as to where the hole is located on the putting green or a target for shots.
- If a Committee decides to set-up a golf course without flagsticks, consideration should be given as to how best to support such a decision by providing players the location of each hole on the green. Whether this is general guidance (such as in the right front portion) or through a detailed hole-location sheet.
- As another means of minimizing exposure to players, a Committee might decide to introduce a code of conduct that prohibits players from touching or removing the flagstick. As is authorized under Rule 1.2b, such a code could also include penalties (such as one penalty stroke or the general penalty) if a player is in breach of its standards.
- Before a Committee decides to introduce such a restriction, it is recommended that consideration be given to the fact that removing the flagstick is an instinctual, even automated, act for many players. Drafting such a code of conduct to restrict only deliberate acts to affect the outcome of the hole would be reflective of that reality and would mean that a player who instinctually removes the flagstick would not get a penalty in doing so.
- If a Committee takes any of the above actions, it is at the discretion of the Committee whether scores would be acceptable for handicap purposes.

BUNKERS AND BUNKER RAKES

We have removed all bunker rakes from our course to help stop the spread of coronavirus. What options do we have for players who end up in unraked areas?

- By removing rakes from the course, the Committee has various options as to how best to address the likely possibility of a player's ball coming to rest in an unmaintained area of sand and should consider which is the best approach under your unique circumstances.
- If you have limited play and most players at your course use a golf cart, the best approach might be to ask that each player takes a rake with them.
- If it is decided that no additional Rules will be put into effect to deal with these areas, it would be advisable to strongly encourage that players try their best to smooth the disturbed area with a foot or a club.
- Additional options could include changing the status of bunkers to be part of the general area. This would give players additional options under multiple relief rules (Rules 16 and 19) and would remove the restrictions normally in effect under Rule 12.
- Ground under repair could be used in two different manners. The first being to declare all bunkers to be ground under repair and treat them as part of the general area. This would allow players the option to take free relief outside the bunker under Rule 16.1. The second is to treat disturbed areas only as ground under repair. This would still allow a player free relief from such areas, but would require such relief to be taken elsewhere within the bunker.
- As a last resort, we have fielded questions as to whether a Committee may add a preferred local rule that would allow a player to place the ball elsewhere in a bunker without penalty (such as within one club length of where the ball came to rest). While that may seem like a good option in that it requires players to play from the bunker, there will be times when no effective relief would be available to a player, such as when a bunker is frequently played from and large areas are unraked. It would be recommended that the other options, such as those listed above are considered first, noting that using

the ground under repair options above ensure a player will get full relief and when dropping from knee height, balls very rarely plug.

- If a Committee takes any of the above actions, it is at the discretion of the Committee whether scores would be acceptable for handicap purposes.

SCORECARDS AND SCORING

We are holding a competition, but want to limit how scorecards are exchanged both between players and after the round to the Committee. Do you have any recommendations?

- The Rules already allow numerous options to address these concerns noting that certifying a score does not require a physical signature, nor does it require a physical scorecard.
- If a Committee wishes to run a competition using a form of electronic scoring, this could come in many forms, such as asking that each marker send an email to the Committee and the player he or she is marking for, including the player's hole-by-hole scores. The player can then reply to verify the accuracy of the card.
- When electronic methods are used, such as the email example above or similar methods that involve text messaging, the Committee should decide when a scorecard would be considered to have been returned. For example, this could be when the player responds certifying that the scores are correct or some other action that the Committee might consider more appropriate.
- A Committee might also wish to employ the above method but also combine these with a physical scorecard by having the marker take a picture of the completed scorecard and either email or text it to the Committee using the same process described above.
- If physical scorecards are the preferred method, a Committee may wish to have the player and marker not exchange cards but rather verbally communicate the hole-by-hole scores to the Committee verbally in the scoring area. Additionally, verbal confirmation could be a substitute for the physical signature. As with the electronic scoring methods described above, the Committee should be diligent to clearly define when a scorecard has been returned, such as when a player leaves the golf shop if that is where the process takes place.
- If a Committee takes any of the above actions, it is at the discretion of the Committee whether scores would be acceptable for handicap purposes.

MODIFICATIONS TO THE HOLE; NOT REQUIRING THAT PLAYERS HOLE OUT

A number of questions have been received that relate to modifying the hole so that players no longer need to reach into the hole to remove a ball to minimize the possibility of exposing golfers to coronavirus.

These have included some courses setting holes so that the hole liner remains an inch or two above the surface of the green while others have placed various objects into the hole or around the flagstick (such as foam pool noodles or plastic piping) so that a ball is unable to fall to the bottom.

While in all of these instances, the ball is not holed per the Rules of Golf (Rule 3.3c), a round played under these conditions will result in an acceptable score for handicap purposes using the most likely score guidelines (see Rule 3.3 of the Rules of Handicapping).

While the most likely score procedure is intended to support certain formats of play where the player is not required to hole out (such as in match play when the player's next stroke is conceded or in fourball stroke play when a partner picks up), it is also temporarily in effect where the above described safety measures are being used.

When using most likely score, the player should consider the number of strokes most likely required to complete the hole, and determine whether the ball would have been holed or not. Most likely score is at the player's best judgment and should not be used to gain an unfair advantage.

This measure is temporary and in effect within the United States until advised otherwise by the USGA.

The above guidance will continue to be updated. If you have any questions or concerns, you can contact the Rules of Golf and Rules of Handicapping departments by going to www.USGA.org.

Accidents can occur by you or another party striking a golf ball, by a golf cart turning over, or simply falling down steps. PLEASE TAKE ADEQUATE PRECAUTION when playing in ASGA events. Chapters and individuals running golf tournaments are not professionals but are volunteers, and therefore, you must assume additional responsibility for your own safety. Please abide by the safety rules posted inside your golf cart, at the golf course, as well as the official website of the United States Golf Association (www.USGA.org). If you have a safety concern, you must immediately bring it to the attention of the person(s) running an event, your chapter president or golf course management personnel.
