

CELEBRATING 30 YEARS OF SINGLES GOLF® IN AMERICA

# CHICAGO SINGLES GOLF

Chicago Chapter - American Singles Golf Association - June 2022

## GOLF SEASON IN FULL SWING!

### President's Corner/ Social Chair's Message

It's been a slice filling in as Acting President following the unexpected departure of Rick Seaberg, but I am very happy to welcome **Wayne Thompson** as our new Chicago ASGA President!!! He has been elected by an overwhelming majority of our members. Wayne is a longtime beloved member and all-around great guy and we are grateful to him for stepping up to help our chapter. Thank you, Wayne, and remember: the whole Board has your back!

~Kathi Brown,

The Ex-Acting President and current Social Chair

### Golf Chair's Message

Our season is well underway. Some of our outings have been completely full, while others have barely had one or two foursomes. If you're going to sign up to play, please be sure to do so before the deadline. We need to give the courses final counts mostly one week ahead of the outing, and it makes the coordinator's job harder when they're scrambling to fill foursomes right up to the last minute. If you've committed to play, please make every effort to show up. Last minute substitutes can't be counted on, and you may have to pay for your spot whether you play or not.

A reminder also that once pairings go out, no changes should be made on the fly by the players. The coordinators are putting effort into making sure people are playing with a variety of other players by checking the cumulative pairings list before doing their pairings. If two people want to play together, they can both request the coordinator to pair them together. The coordinator will not put them together unless both parties have made the request.

We've had some great outings so far, and I'm looking forward to more as the season goes on. If you can help out by acting as the coordinator for one of the following outings, please let me know:

Village Links – Saturday, July 9  
Thunderhawk – Saturday, July 23  
Cantigny – Sunday, July 24  
Palatine Hills – Wednesday, July 27  
Blackberry Oaks – Saturday, July 30

Thanks, and see you on the links!

## Kick-Off Event: River Bend

On May 14 River Bend Kick-Off had 26 golfers starting out the ASGA Season.

We started with a chipping contest with **Tom Golbach** and **Diane Martinez** matching as closest to the basket - the flags in the picture represent everyone's attempts. **Joe Torcivia** and **Anita Lester** received recognition for most outstanding attempts (longest and shortest)!!

~Coordinator: *Eileen Zittnan*

Following our opening golf outing, the kick-off dinner was held in the Wheatstacks Restaurant. A welcome banner greeted golfers as they finished their rounds. Twenty-seven members and guests enjoyed appetizers of bruschetta and spinach/artichoke dip, along with beverages of their choice. A dinner buffet of seasoned chicken, salmon, mixed vegetables and pasta followed. A perfectly-decorated cake was sliced and served for dessert. The managers and wait staff of Wheatstacks did a great job serving us. A big thank you to **Kathi Brown**, Social Chairman, for organizing and planning our dinner.

## Mount Prospect Golf Club

Twenty-four golfers enjoyed a great day of golf at the ASGA Mt. Prospect Golf Club outing on May 22.

Thankfully the weather cooperated, and a good time was had by all. Long-time ASGA members who were at the outing were thrilled to welcome **Anita Lester** back to the group. We also had a potential member through MeetUp, **Darrell**, who attended and we hope to see him join.

The Indiana Road Warriors won the two closest-to-the-pin contests splitting a \$90 pot. **Sheila Ramacci** was less than a foot away on par 3 hole #7, and **Bob Davidson** nearly had a hole in one on #10 stopping two inches past the hole!

The club provided ASGA with four 9-hole rainchecks which were awarded by blind draw to: **Deb Backman**, **Peggy Sodini**, **Eurch Rustomji**, and **Sheila Ramacci**. Thank you **Judy Johnson** for quickly writing down the names for the drawing, **Cindy** and **Tom** for getting the par 3 contest signs out and **Tim** and **Marie** for picking them up.

Most of the group stayed after golf for food and drinks in the lovely Mt. Prospect GC clubhouse, during which time **Wayne Thompson** graciously offered his services as ASGA president. Wayne, I hope your arm isn't too sore from being twisted.

Summer has just begun, and I look forward to seeing everyone at more ASGA outings!

~Coordinator: *Sharon Meyer*

## Springbrook

Four intrepid golfers went "swinging in the rain" May 21<sup>st</sup> on the front nine at Springbrook. **Dave Halper** not only won the unisex closest to the pin and putting contests, but upheld the honor of the ASGA by going on to the back nine.

~Coordinator: *Catherine Dudley*

## White Deer Run

We had sixteen golfers come out to enjoy the 80-degree day on May 29 with a bit of wind (well, maybe more than a bit!). Included in the group was a new member...welcome **Terri Morgan**. Terri rode with me and we both enjoyed the round -

not our scores! We also had one guest, Terri Pembleton, so we hope she joins and plays with us again.

Our ladies' closest to pin on #8 was won by **Carol Passalaqua** - you rock, Carol. And congrats to **Laura Jolcover** for winning the longest putt contest on 18 - it was a beaut! We also held a team event... taking the high gross (max of double par) and low gross score for each hole. Then lowest overall score won the team prize which went to the team of **Ed Horak, Laura Jolcover, Ruth Browne and Kathi Brown**. Great effort for all!

Only two men entered the men's closest to pin on the tough #12 hole and neither made the green. So we held a drawing among all players who stayed for drinks/dinner. Our new member, **Terri Morgan**, drew the winner: **Kurt Kupitz**.

We want to wish a speedy recovery to **Diane Meister** who has a pulled muscle... brave gal, she did play 9 holes.

Thanks to all who played ... it was a fun day.

~Coordinator: **Susan Herman**

## Heritage Bluffs

Seven golfers played Heritage Bluffs on May 26. The weather was very good for May, course was in good shape, and the clubhouse remodeling complete. **Cathy Hill** won for proximity on #8, but nobody was able to land on #16. The bartender drew from our names and I (**Mike**) won the other prize.

~Coordinator: **Mike Madden**

## Oak Brook

On June 4, twenty-four people came out to Oak Brook Golf Club as we celebrated **Susan**

**Barton's** milestone birthday with friends we hadn't seen for a while and two guests, who we hope will become members. While it didn't rain to hinder anything, some sunshine, as we all thought had been predicted, would have been much nicer.

Contest winners were **Alice Zyks** for closest to the pin on #7, **Mike Madden** closest to the pin on #14, **Diane Martinez**

for longest putt on #15 and **Matt Kogen** for closest to the line on #11. We had dinner on the patio and a delicious chocolate cake, thanks to **Kathi Brown**, to complete **Susan's** birthday. What a nice day with great friends!!

~Coordinator: **Deb Backman**

**ASGA Annual Dues are \$89.00. Do you want LOWER DUES?**

# **HOW WOULD YOU LIKE ONE YEAR OF FREE DUES?**

You likely joined the American Singles Golf Association because you wanted to meet more singles and play more golf. We can't help you with your golf swing, however, we're on a mission to grow your chapter's membership. ***Golf season is upon us . . . are you onboard to grow your chapter or are you satisfied with your current membership level?***

## ***Here's the plan:***

- 1) on the following page, you'll see a revised "***Single? Play Golf?***" sign. It now has five (5) tear-off tabs instead of eight (8).
- 2) You write-in your identification (either your member number or first initial + last name) on each of the tabs. Use scissors to cut the tabs apart.
- 3) You print as many signs as you wish, keep them in the front seat of your car along with some push pins and post them ***anywhere you're permitted*** to post, e.g. golf shop bulletin boards, golf shop restrooms, driving ranges, stores, etc. ***If you would like ASGA National to print five (5) yellow signs for you, please let us know by emailing Irene@SinglesGolf.com or calling 980-833-6450 from 9am-1:45pm, M-F, Eastern.***
- 4) For every three (3) people who join using your name or ID on the yellow sign, you'll receive 12-months of ASGA membership. Note: your name or member number, as the referrer, must be submitted **with** the new member's application. No exceptions. No retroactivity. Please do not add your own name to an application form. It must be completed only the by the member currently joining and completing the application.
- 5) New members can join over the phone, at our website (SinglesGolf.com/join), fax, etc., however, **they MUST use your member number or name at the time of joining as the person who referred the new member. Again, no exceptions to this policy.**
- 6) ASGA National will keep track of how many new members you get credit for and will automatically add 12-months to your membership. Please, no slanting of these rules

**Be a Hero in Your Chapter.  
Get the signs printed and get them hanging!  
*(and remind others to participate)***

# IN ADDITION, WE CAN SEND YOU FREE BUSINESS CARDS!

As you have seen from the previous two pages of this newsletter, ASGA National is committed to seeing your chapter grow. We believe by asking each individual member for help, your chapter will grow its membership.

Besides using just the yellow signs to gain more members in your local chapter, **upon request** we will also provide you with ASGA business cards as shown below. More can be sent to you if needed, but we'll start out by sending you 25 business cards that you can give to anyone you believe might be a potential member. Are you out and about and see someone wearing a golf shirt or hat? **Start a conversation:** tell them you're a part of a local club for singles who play golf and simply ask **"are you single?"** Even if they aren't, chances are they know a golfer who is. Give them a card that's pre-filled with you name (or member #) and contact info.

**Remember, you get free dues for referring 3 new folks who join!**

Below shows how your business card appears. They don't come to you automatically, you'll have to order them. E-mail [Irene@SinglesGolf](mailto:Irene@SinglesGolf) or call 980-833-6450 (9am—1:30pm, Mon-Fri, Eastern) for your free 25 cards.

## COVID-19 Rules and Handicapping FAQs

The guidance below supplements a memo released by the USGA as to how the Rules of Golf and Rules of Handicapping apply in response to questions received from golf course owners, administrators, tournament organizers and golfers. As was noted in that memo, it is not the intended purpose of the below guidance to either encourage or discourage anyone from playing the game, but rather, in our governance role, to help golf course operators, committees and golfers better understand how the Rules of Golf and Rules of Handicapping apply to the various questions we have received.

The questions received fit into four main topics. In each of the four topics below, the guidance provided serves both to directly answer the questions asked as well as cover additional considerations that might also serve useful.

### FLAGSTICK

---

**May a course remove all flagsticks to minimize the possibility of exposing players to coronavirus?**

**May a committee introduce a code of conduct that does not allow players to remove (or even touch) the flagstick?**

- The flagstick serves an important purpose in the game of golf – that is as an indicator to a player as to where the hole is located on the putting green or a target for shots.
- If a Committee decides to set-up a golf course without flagsticks, consideration should be given as to how best to support such a decision by providing players the location of each hole on the green. Whether this is general guidance (such as in the right front portion) or through a detailed hole-location sheet.
- As another means of minimizing exposure to players, a Committee might decide to introduce a code of conduct that prohibits players from touching or removing the flagstick. As is authorized under Rule 1.2b, such a code could also include penalties (such as one penalty stroke or the general penalty) if a player is in breach of its standards.
- Before a Committee decides to introduce such a restriction, it is recommended that consideration be given to the fact that removing the flagstick is an instinctual, even automated, act for many players. Drafting such a code of conduct to restrict only deliberate acts to affect the outcome of the hole would be reflective of that reality and would mean that a player who instinctually removes the flagstick would not get a penalty in doing so.
- If a Committee takes any of the above actions, it is at the discretion of the Committee whether scores would be acceptable for handicap purposes.

### BUNKERS AND BUNKER RAKES

---

**We have removed all bunker rakes from our course to help stop the spread of coronavirus. What options do we have for players who end up in unraked areas?**

- By removing rakes from the course, the Committee has various options as to how best to address the likely possibility of a player's ball coming to rest in an unmaintained area of sand and should consider which is the best approach under your unique circumstances.
- If you have limited play and most players at your course use a golf cart, the best approach might be to ask that each player takes a rake with them.
- If it is decided that no additional Rules will be put into effect to deal with these areas, it would be advisable to strongly encourage that players try their best to smooth the disturbed area with a foot or a club.
- Additional options could include changing the status of bunkers to be part of the general area. This would give players additional options under multiple relief rules (Rules 16 and 19) and would remove the restrictions normally in effect under Rule 12.
- Ground under repair could be used in two different manners. The first being to declare all bunkers to be ground under repair and treat them as part of the general area. This would allow players the option to take free relief outside the bunker under Rule 16.1. The second is to treat disturbed areas only as ground under repair. This would still allow a player free relief from such areas, but would require such relief to be taken elsewhere within the bunker.
- As a last resort, we have fielded questions as to whether a Committee may add a preferred local rule that would allow a player to place the ball elsewhere in a bunker without penalty (such as within one club length of where the ball came to rest). While that may seem like a good option in that it requires players to play from the bunker, there will be times when no effective relief would be available to a player, such as when a bunker is frequently played from and large areas are unraked. It would be recommended that the other options, such as those listed above are considered first, noting that using

the ground under repair options above ensure a player will get full relief and when dropping from knee height, balls very rarely plug.

- If a Committee takes any of the above actions, it is at the discretion of the Committee whether scores would be acceptable for handicap purposes.

## **SCORECARDS AND SCORING**

---

**We are holding a competition, but want to limit how scorecards are exchanged both between players and after the round to the Committee. Do you have any recommendations?**

- The Rules already allow numerous options to address these concerns noting that certifying a score does not require a physical signature, nor does it require a physical scorecard.
- If a Committee wishes to run a competition using a form of electronic scoring, this could come in many forms, such as asking that each marker send an email to the Committee and the player he or she is marking for, including the player's hole-by-hole scores. The player can then reply to verify the accuracy of the card.
- When electronic methods are used, such as the email example above or similar methods that involve text messaging, the Committee should decide when a scorecard would be considered to have been returned. For example, this could be when the player responds certifying that the scores are correct or some other action that the Committee might consider more appropriate.
- A Committee might also wish to employ the above method but also combine these with a physical scorecard by having the marker take a picture of the completed scorecard and either email or text it to the Committee using the same process described above.
- If physical scorecards are the preferred method, a Committee may wish to have the player and marker not exchange cards but rather verbally communicate the hole-by-hole scores to the Committee verbally in the scoring area. Additionally, verbal confirmation could be a substitute for the physical signature. As with the electronic scoring methods described above, the Committee should be diligent to clearly define when a scorecard has been returned, such as when a player leaves the golf shop if that is where the process takes place.
- If a Committee takes any of the above actions, it is at the discretion of the Committee whether scores would be acceptable for handicap purposes.

## **MODIFICATIONS TO THE HOLE; NOT REQUIRING THAT PLAYERS HOLE OUT**

---

A number of questions have been received that relate to modifying the hole so that players no longer need to reach into the hole to remove a ball to minimize the possibility of exposing golfers to coronavirus.

These have included some courses setting holes so that the hole liner remains an inch or two above the surface of the green while others have placed various objects into the hole or around the flagstick (such as foam pool noodles or plastic piping) so that a ball is unable to fall to the bottom.

While in all of these instances, the ball is not holed per the Rules of Golf (Rule 3.3c), a round played under these conditions will result in an acceptable score for handicap purposes using the most likely score guidelines (see Rule 3.3 of the Rules of Handicapping).

While the most likely score procedure is intended to support certain formats of play where the player is not required to hole out (such as in match play when the player's next stroke is conceded or in fourball stroke play when a partner picks up), it is also temporarily in effect where the above described safety measures are being used.

When using most likely score, the player should consider the number of strokes most likely required to complete the hole, and determine whether the ball would have been holed or not. Most likely score is at the player's best judgment and should not be used to gain an unfair advantage.

This measure is temporary and in effect within the United States until advised otherwise by the USGA.

The above guidance will continue to be updated. If you have any questions or concerns, you can contact the Rules of Golf and Rules of Handicapping departments by going to [www.USGA.org](http://www.USGA.org).
