

To all ASGA Members – Please Read!

Your chapter board will NEVER send you an email requesting funds by way of a gift card. Always, always use due diligence when responding to an email. See below “How to Protect Yourself”

Spoofing and Phishing

Spoofing

Spoofing is when someone disguises an email address, sender name, phone number, or website URL—often just by changing one letter, symbol, or number—to convince you that you are interacting with a trusted source.

For example, you might receive an email that looks like it's from your boss, a company you've done business with, or even from someone in your family—but it actually isn't.

Criminals count on being able to manipulate you into believing that these spoofed communications are real, which can lead you to download malicious software, send money, or disclose personal, financial, or other sensitive information.

Phishing

Phishing schemes often use spoofing techniques to lure you in and get you to take the bait. These scams are designed to trick you into giving information to criminals that they shouldn't have access to.

In a phishing scam, you might receive an email that appears to be from a legitimate business and is asking you to update or verify your personal information by replying to the email or visiting a website. The web address might look similar to one you've used before. The email may be convincing enough to get you to take the action requested.

But once you click on that link, you're sent to a spoofed website that might look nearly identical to the real thing—like your bank or credit card site—and asked to enter sensitive information like passwords, credit card numbers, banking PINs, etc. These fake websites are used solely to steal your information.

Phishing has evolved and now has several variations that use similar techniques:

- **Vishing** scams happen over the phone, voice email, or VoIP (voice over Internet Protocol) calls.
- **Smishing** scams happen through SMS (text) messages.
- **Pharming** scams happen when malicious code is installed on your computer to redirect you to fake websites.

How to Protect Yourself

- Remember that companies generally don't contact you to ask for your username or password.
- Don't click on anything in an unsolicited email or text message. Look up the company's phone number on your own (don't use the one a potential scammer is providing) and call the company to ask if the request is legitimate.
- Carefully examine the email address, URL, and spelling used in any correspondence. Scammers use slight differences to trick your eye and gain your trust.
- Be careful what you download. Never open an email attachment from someone you don't know and be wary of email attachments forwarded to you.
- Set up two-factor (or multi-factor) authentication on any account that allows it, and never disable it.
- Be careful with what information you share online or on social media. By openly sharing things like pet names, schools you attended, family members, and your birthday, you can give a scammer all the information they need to guess your password or answer your security questions.
- **Remember – If you are doubtful there's probably a good reason. If you're not sure, call to the person in your chapter who is supposedly sending the email.**

CHICAGO SINGLES GOLF

Chicago Chapter - American Singles Golf Association - April 2023

SEASON OPENER - MAY 15TH AT VILLAGE LINKS

From the Assistant Golf Chair:

Hello fellow Chicago ASGA golfers,

Happy Spring! I hope you had an enjoyable winter and are ready for some fun together on the links. PLEASE NOTE some important changes this season: As of now we do not have a Communications Chair. Therefore the lovely weekly Blasts (previously sent out by **Susan Barton**) reminding everyone of upcoming events and sign-up deadlines etc. will not be sent out. However, **Ruth Wiechman-Browne** has graciously offered to send a brief weekly email to the current membership re the upcoming events and their deadlines. So given that communication will be a bit limited please be sure to keep an eye on the ChicagoASGA.org website for all necessary info re scheduled events, especially who the coordinators will be and how to sign-up. Our faithful webmaster **Tim Ryan** will keep the website updated as contracts are finalized and coordinators volunteer to run events.

Hopefully this slightly new system will work well and we will have a successful and enjoyable 2023 season! Our first event will be Village Links in Glen Ellyn on

May 15th. It will be a 9 hole event with the option to dine after in their excellent Reserve 22 restaurant.

Also, as was announced last year, after many years of service to our chapter **Marie Bush** has stepped down as Golf Chair and her able co-chair **Susan Hermann** has moved on as well. Our new Golf Chair is **Diane Perini**, and I will be assisting her in the role of finding coordinators. A big shout out to new member **Diane** for stepping up to fill this most important role! And if you know of an event you would like to run please contact me. The job of coordinator has been streamlined so it is quite easy!

Lastly, if anyone would be willing to step up to fill the vacant Board positions of Communications Chair, President or Social Chair please contact me.

Looking forward to seeing everyone on the links!

How to Play Ready Golf

~Casual Golfers United

Some people's perception of golf is that of gentlemen and ladies playing a game over six hours with strict rules governing the pattern of play. This pattern requires certain social protocols be observed. The order of play is strictly determined and must be followed at all times. That was how my grandfather played and it was how they played when I caddied one summer. Somewhere in the last decade or maybe two, a new term arose to speed up play: Ready Golf.

Ready Golf is defined by the small steps taken by all players to not waste time. Some traditional protocols are ignored but not completely forgotten. It is not a free for all but rather an organized group effort. Golf courses like it because they can move more foursomes through the course in a day. I want to review what makes for good ready golf.

Ready Golf Tip #1: Tee Off Order

Classic golf defines the order in which players tee off by the score on the previous hole. The player with the lowest score has honors. In Ready Golf, whoever is ready to fire can step forward. The exception is when a player shoots a birdie or better on the previous hole. To honor and celebrate that player, "Birdie man or woman" tees off first.

Ready Golf Tip #2: Cart Golf

Golf carts are wonderful and fun to drive. However, players are not handcuffed to them. If your cartmate's ball is on the opposite side of the fairway as your's, drop them off and go to yours or reverse that. If you are being dropped off, take a few clubs in case you change your mind on your shot.

Ready Golf Tip #3: Search Party

If someone in the foursome is searching for their ball in the rough, another player should be readying to hit or hitting their shot. Don't stand by idle but play and then help them find their ball. Teamwork may help save them a stroke for a lost ball and the foursome won't lose time.

Ready Golf Tip #4: Putting Order

Putting order is defined classically by the distance away from the hole. Further away, goes first once everyone is on the green. There is an exception in ready golf. If a player is walking into a green side bunker and your ball is far far away from the hole, it is acceptable for you to putt prior to them setting up for their shot. You must declare your intentions by announcing to your group, "I just want to get my ball in the same zip code as the hole."

Ready Golf is Not Rushed Golf

Ready golf should not raise your pulse as you try to keep up with a blistering pace. Your foursome is working together to keep the foursome in front in sight. When it is your turn to swing, complete your entire pre-swing ritual. Do not sacrifice your play for pace.

Everyone enjoys a smooth quick round. These days if I play a five hour round, I get grumpy. Ready golf is what makes golf fun for me.

Your chapter newsletter follows after the following pages . . .

ASGA Annual Dues are \$89.00. Do you want LOWER DUES?

HOW WOULD YOU LIKE ONE YEAR OF FREE DUES?

You likely joined the American Singles Golf Association because you wanted to meet more singles and play more golf. We can't help you with your golf swing, however, we're on a mission to grow your chapter's membership. ***Golf season is upon us . . . are you onboard to grow your chapter or are you satisfied with your current membership level?***

Here's the plan:

- 1) on the following page, you'll see a revised ***"Single? Play Golf?"*** sign. It now has five (5) tear-off tabs instead of eight (8).
- 2) You write-in your identification (either your member number or first initial + last name) on each of the tabs. Use scissors to cut the tabs apart.
- 3) You print as many signs as you wish, keep them in the front seat of your car along with some push pins and post them ***anywhere you're permitted*** to post, e.g. golf shop bulletin boards, golf shop restrooms, driving ranges, stores, etc. ***If you would like ASGA National to print five (5) yellow signs for you, please let us know by emailing Irene@SinglesGolf.com or calling 980-833-6450 from 9am-1:45pm, M-F, Eastern.***
- 4) For every three (3) people who join using your name or ID on the yellow sign, you'll receive 12-months of ASGA membership. Note: your name or member number, as the referrer, must be submitted **with** the new member's application. No exceptions. No retroactivity. Please do not add your own name to an application form. It must be completed only by the member currently joining and completing the application.
- 5) New members can join over the phone, at our website (SinglesGolf.com/join), fax, etc., however, **they MUST use your member number or name at the time of joining as the person who referred the new member. Again, no exceptions to this policy.**
- 6) ASGA National will keep track of how many new members you get credit for and will automatically add 12-months to your membership. Please, no slanting of these rules

Be a Hero in Your Chapter.
Get the signs printed and get them hanging!
(and remind others to participate)

IN ADDITION, WE CAN SEND YOU FREE BUSINESS CARDS!

As you have seen from the previous two pages of this newsletter, ASGA National is committed to seeing your chapter grow. We believe by asking each individual member for help, your chapter will grow its membership.

Besides using just the yellow signs to gain more members in your local chapter, **upon request** we will also provide you with ASGA business cards as shown below. More can be sent to you if needed, but we'll start out by sending you 25 business cards that you can give to anyone you believe might be a potential member. Are you out and about and see someone wearing a golf shirt or hat? ***Start a conversation:*** tell them you're a part of a local club for singles who play golf and simply ask "***are you single?***" Even if they aren't, chances are they know a golfer who is. Give them a card that's pre-filled with you name (or member #) and contact info.

Remember, you get free dues for referring 3 new folks who join!

Below shows how your business card appears. They don't come to you automatically, you'll have to order them. E-mail Irene@SinglesGolf or call 980-833-6450 (9am—1:30pm, Mon-Fri, Eastern) for your free 25 cards.
