

CHICAGO SINGLES GOLF

Chicago, Illinois Chapter - American Singles Golf Association - April 2010

MONTHLY MINGLE - APRIL 14TH AT CHAMPPS

MESSAGE FROM PRESIDENT FORCADE

The Golf Show was a big success. We had over 90 individuals sign up to receive more information, and many more took brochures and other information. We've had at least six new members sign up (you never know for sure if they are from the show or not, but this is a definite increase in the number of new sign-ups).

We had a productive Board meeting at the end of February. The 2010 season is looking good for both golf and social activities. One discussion item was the make-up of the 2011ASGA Board. Several Board members are currently sitting for their second term and have indicated that they will not be running for reelection in 2011. We are starting an active program to recruit nominees for the 2011 Board. If you have an interest in greater participation with ASGA, please contact me. The organization is only as good as the people who contribute time and effort to make it so.

MESSAGE FROM GOLF CHAIR DOWLING

As a reminder, our golf coordinator meeting is being held at 6:30 p.m. on Wednesday,

April 14 at Champps Sports Bar, 2301 Fountain Square Drive in Lombard. This meeting will be combined with our April Mingle, so be sure to come even if you do not yet have plans to coordinate or assist with an outing. I will provide all the information you could ever possibly want to know about running a successful outing, and there is no need to eat ahead of time, as a light buffet dinner will be provided. Please RSVP by April 10 to **Tim Dowling** at timdowling00@yahoo.com or 847-370-3470.

MESSAGE FROM SOCIAL CHAIR JONES

Start thinking now in black and white for our season-opening dinner/dance to be held on Saturday, April 24 at the Diplomat West in Elmhurst. Yes, the theme is black and white, and we encourage you to get creative with your attire – and you just may win a prize! The incredible fun starts at 6:30 with an open bar, great food, non-stop music and even some surprises. The cost is \$65 per person, and you must sign up no later than April 19 with **Kevin Berg** at kevinb6204@hotmail.com. This is a pre-pay event, so get your check in to Kevin along with a

phone number or e-mail address so he can confirm receipt. For more information, check the website or contact **Kevin Berg**, **Mari Lou McCann** or **Melanie Jones**.

If you don't have a password, you can request one from National. Enter your membership ID and password, and you can edit your membership information to include your cell phone number.

PHOTOS

Anyone who takes photos at the events may send them to **Robert Geeve** (rgeeve@sbcglobal.net) for inclusion on the website. A zip file of the photos is preferred, but individual photo attachments will also be acceptable. Or if you prefer to copy your photos to a CD and send it to Robert, that's okay too. Just please send them as soon as possible after the outing. Robert has changed the format on the website in which the photos are displayed, so please take a look and let him know of any comments you may have.

ROSTER UPDATES → **Do It Yourself!**

Do you want to update your personal information on our chapter's roster? You can now do this yourself. Simply click on the **MY ACCOUNT** link at the national website (SinglesGolf.com). You can update your address, phone, add your cell phone, change handicap, etc. Doing it yourself takes the burden off of your chapter leaders so they can spend more time on the golf course and less time on the computer!

Do You Ever Wonder....

Why do we press harder on a remote control when we know the batteries are almost dead?

Why do banks charge a fee on 'insufficient funds' when they already know there is not enough money?

Why does someone Believe you when you say there are four billion stars, but have to check when you say the paint is still wet?

Why doesn't Tarzan have a beard?

Why does Superman stop bullets with his chest, but ducks when you throw a revolver at him?

Why do Kamikaze pilots wear helmets?

If people evolved from apes, Why are there still apes?

Is there ever a day that mattresses are not on sale?

Why do people keep running over a string a dozen times with their vacuum cleaner, then reach down, pick it up, examine it, then put it down to give the vacuum one more chance?

Why is it that no plastic bag will open from the end on your first try?

When we are in the supermarket and someone rams our ankle with a shopping cart then apologizes for doing so, why do we say, 'It's all right?' Well, it isn't all right, so why don't we say, 'That really hurt, why don't you watch where you're going?'

Why is it that whenever you attempt to catch something that's falling off the table you always manage to knock something else over?

In winter why do we try to keep the house as warm as it was in summer when we complained about the heat?

Why do people constantly return to the refrigerator with hopes that something new to eat will have materialized?
