## WHERE DID THE SUMMER GO

### Comments from Irene (Office Manager at the ASGA National Office)....

Do you know how handy your username and password are? With that information, you can

- Get an up-to-the minute (well, almost) roster of the members of your chapter with their phone numbers and emails
- Update your information (phone number, address, email, etc)
- Register online for national events
- Pay your dues

If you don't have your credentials (another name for your username and password) drop me an email and I'll send them to you. [Irene@SinglesGolf.com](mailto:Irene@SinglesGolf.com).

All I have to do is click on a button next to your name in our database and your credentials get emailed to you. Then you can DIY (for those not handy with a hammer, that's Do It Yourself.)

### A Letter From Our President, Christine Coyne:

We could not ask for better golfing weather these past couple of weeks. Let's hope it keeps up for the events that are still available to our group as the season winds down.

I just had to put in a plug for the members of our group who signed up as volunteers at Medinah Country Club for the Ryder Cup during the last weekend of September. Thank you for your service in providing a memorable experience for the players and spectators. I was fortunate enough to spend a day at the Ryder Cup and it was incredible. I did see one of our members working on the course but it was just too crazy to stop and say hi. I now have a better appreciation for the time and effort that was given by the volunteers.

If you did not see my note in one of our email blasts, I will say it again: A huge thank you to **Tim Dowling, Karen Stika, Marie DiVirgilio and Peggy Sodini** for an absolutely fun day at the **Scramble** at Indian Boundary Golf Course. The weather was perfect, everyone's spirits were positive, the games that were

played were at times tricky but certainly leveled the playing field and pace of play seemed to be a non-issue.

I hope you are marking your calendar to attend these two upcoming events: the **Halloween Golf and Lobster Boil** on Saturday October 20<sup>th</sup> plus the **End of Season Celebration** on November 3<sup>rd</sup>. **Penny Link, JoAnn Graske and Mike Colligan** will be our hosts for the Golf/Lobster Boil. Golf is optional. At the End of Season Celebration, we will be recognizing all of the Chicago ASGA members who have volunteered this past year. We will also be presenting the new board for 2013 which is a very promising group. Check this newsletter for more details.

Still hope to see some of you on the links this Fall!

### Scramble Results

The 2012 Annual ASGA Scramble, held on September 15<sup>th</sup> at Indian Boundary, was a great success. The 76 players enjoyed great weather, wonderful pace of play, a very tasty dinner and of course, the confusing but fun rules of the Scramble. The winning Team of **Kevin Berg, Judy Johnson, Paul Ullrich and Jeanne**

**Schneeberger** shot a gross score of 74 but with the Peoria Handicap shot a net score of 65. The Winning "Team Colors" went to the "Skiddle's Team" of **Becky Nicholson, Tim Ryan, Karen Stika and Jay Thompson**. A Raffle was held using the proceeds of the mulligan sale and 52 winners each received a \$10 ASGA coupon. A big thanks to **Tim Dowling** and **Karen Stika** for setting up such a great day. And a shout out to the staff at Indian Boundary who kept the day flowing with the help of gallons of beer. By all reports everyone had a good time.

**Recent Outings:**

**Balmoral Woods, September 9th**

No details on this outing but it must have been fun - **Marilou McCann** was the coordinator.

**Village Links, September 23rd**

Let's remember that it is officially autumn, so weather in the 50s can be expected. And on Sunday, September 23<sup>rd</sup>, when the sun went behind the clouds, it felt chilly. When it was shining brightly, it was quite warm. About two dozen of the golfers playing at Village Links spent part of their time, taking jackets off, putting them on, taking them off again. It didn't slow up pace of play BUT those that kept their clothes on throughout were eligible for one of the prizes (one of the surprise - prizes promised ahead of time.) With Village Links being a somewhat "challenging course" another of the day's prizes went to the player who lost the least balls and the person who lost the most. These golf legends will go without being named to protect their sense of humility. Prizes given out for skills went to **Jim Voinovich** and **Jeanne Schneeberger** for longest drives, **Kurt Kupitz** and **Mary Lou Newbold** for closest to the pin, and Kurt also received the prize for longest putt (different hole than for closest to the pin, of course.) Most of the group stayed at Village Links for dinner and socializing long after the sun went down. Coordinator **Melanie Jones** really appreciated the help she got from **Nancy Pierz** and the ease of having an equal number of walkers and riders to make an even 8 foursomes. For MJ, the icing on the cake was having the tally sheet balance!

**Glenwoodie, September 29th**

No details on this outing, but it was probably really fun since it was **Marilou McCann's** second outing in a month!

**Fresh Meadows, September 30th**

Thanks to **Patrice Al-Saden** for making sure this event, rained out last month, was rescheduled. It went off without a hitch this time. The weather cooperated- sunny, windy and a small group of 16 golfed their way through 18 while the United States was losing the Ryder Cup north of us. Four Contest Holes: closest to the pin for men: **Mike Colligan**; longest putt for men: **Kevin Berg**; closest to the pin for women: **Patrice Al-Saden**, and longest putt for women: **Barb DiBiase**. Everyone enjoyed themselves.

## Rules and More Rules

### Testing sand in adjacent bunker

Q. The green was framed and protected by a left and right side sand filled bunkers. Scott's approach shot landed in the left bunker. As Scott walked toward his ball he passed the bunker on the right. Scott hopped in the bunker on the right and took a couple of practice strokes causing sand to fly. He then proceeded to the bunker on the left in which he ball was laying. At this point Larry said, "Scott, add two strokes to your score, you can't test the conditions of the bunker." Scott of course protested pointing out to Larry the obvious, he did not test the condition of the bunker in which his ball was laying.

What is the correct ruling?

- Larry is partially correct, you can not test a like hazard. However the penalty for testing a like hazard is one, not two, strokes.
- Larry is correct. Two stroke penalty. You can not test a like hazard.
- Larry was incorrect. No harm no foul. Scott did not test the bunker from which he would be playing. Scott did nothing that was prohibited. Testing a similar hazard is not only allowed, it is considered prudent.

And the answer is....

The answer is B. Rule 13-4, Ball in Hazard; Prohibited Action, is the applicable rule. The rule prohibits testing the condition of the hazard in which your ball lays or any similar hazard. The penalty for breach of the rule is Loss of hole in match play and a two stroke penalty in stroke play.
