

CHICAGO SINGLES GOLF

Chicago Chapter - American Singles Golf Association - January 2016

HAPPY NEW YEAR

Message from the President

At this time of year so many make their resolutions, but I like to look back and think "what's working, what's not?" Yes, I'm an analyst. There should be a multi-step program for people like me, but that's a topic for a different day. The good news is that in our chapter there is a lot that is working, and it is working very well.

One thing that was working was **Dave Colbert's** leadership over the last couple of seasons. I thank Dave for his contributions and I look forward to his council as our president emeritus. I also want to thank all the other outbound board members for their contributions.

And what a year it's been. From the pre-season events to our holiday party there was a good time to be had, and for most of the chapter all we had to do was sign up. I thank all our board members, coordinators and their assistants for investing their time in so much planning and so many events. Some of my favorite memories include **Jay's** big production at Countryside, all the fun we had at the challenge (congrats to

Karen in such a fun competition), the great trip to Green Lake (will I ever forget that walk back to the hotel Saturday night or the American Bald Eagle flying overhead as we went down the fairway?), strolling the grounds of Whistling Straits with some of my favorite members, and of course all the outings.

For me, what is probably working the best is the continuing companionship and friendship. There are people I know that, regardless what's going on, I will have a good time just by being in their company. Also, there are people in this group I count as some of my closest friends and I appreciate them so much.

So what could be working better? As we have lost members over time, we need to continue to think about how we can bring in new folks to the group. This will be a topic in the off-season and I encourage you to pass along any ideas. I also have heard some requests from folks to add different venues, and I would say this is an ideal time to consider coordinating an event at a course or in an

area you would like to see on our schedule. **Patsy** and team do a great job getting things ready for coordinators, but they are limited to the folks volunteering to coordinate.

It was a great 2015, let's see if we can have an even better 2016!

~**Scott**

ASGA Christmas Party and Cookie Exchange

On Sunday, December 20, 30+ Chicago members met at the home of **Nancy Pierz** for a holiday celebration. The afternoon was spent watching the Bears game, socializing, and enjoying the food brought by attendees. Even though the Chicago Bears disappointed a few who took the time to watch the game, time was spent eating, drinking, exchanging cookies, and catching up about each other's activities since the end of golf season.

Once everyone arrived it was necessary to hold an election. Our outgoing President, **Dave Colbert**, introduced the new slate of board members and an election

Rules and More Rules

Addressed ball in tall grass slips vertically downward

"Larry's ball was lying in tall grass. As he addressed the ball, the ball slipped vertically downward. Larry said, ""oops,"" his competitor said, ""that's going to cost you a penalty stroke."" What if any is the penalty?"

- A. Simple, No penalty. The movement downward, but directly over the the original ball position is not considered movement. As long as the ball stayed directly over its original position it is considered to have not moved, no harm / no foul / no penalty.
- B. Simple, one stroke penalty. Come on, the ball at rest moved, and that's a no, no. If a golfers' ball in play moves after he has addressed it (other than as a result of a stroke), the golfer is considered to have moved the ball and a penalty of one stroke is awarded. The ball moved from its resting position, even if vertically.
- C. Simple, two stroke penalty. Come on, the ball at rest moved, and that's a no, no. If a golfers' ball in play moves after he has addressed it (other than as a result of a stroke), the golfer is considered to have moved the ball and a penalty of one stroke is awarded. The ball moved from its resting position, even if vertically.

Answer

The correct answer: B. Rule 18/2 is the applicable rule regarding addressing a ball at play and causing it to move other than as a result of a stroke. And of course the penalty is one stroke. Rules decision 18/1 says that an addressed ball that moves vertically downward, unless the ball returns to its original position on its' own is considered to have moved. The direction of movement is immaterial. The penalty is one stroke.
