

# CHICAGO SINGLES GOLF

Chicago Chapter - American Singles Golf Association - July 2020

## OUTING COORDINATORS NEEDED

### President's Message

Hi Golfers!

Hope July finds you healthy and enjoying some socially-distant fun in the sun!

ASGA Chicago has been navigating golf during a pandemic for a couple months now and my thanks to **Marie** for doing an awesome job of getting us out on the links. The guidelines have been changing frequently, but that hasn't stopped us from enjoying some great courses and the company of other golf enthusiasts. Here's a few notes on what to expect for the rest of the season:

- No on-course games or coupons to win
- Existing coupons expiring this year are good through 2021

- Pay the course directly (individually) at most outings – check the signup emails for details
- No organized social events or dinners

And now we're looking for volunteers to help **Marie** coordinate outings through the remainder of the summer. There is much less involved than usual with no money or games to handle, so please pick an outing or two and let **Marie** know if you can help her out.

Thanks and I hope to see you on the links soon!

~Alice

whether you're willing to share a cart or require a single cart. The courses are all over the board on the cart situation. Some are strictly enforcing only 2 carts per four-some, some are allowing single carts for no extra fee, some can't guarantee carts will be available, and some are allowing single carts for an upcharge. So far, we've seen upcharges ranging from \$5 to \$20. So, be sure to check the details for the course before signing up for an outing if the cart situation is important to you.

As mentioned by **Alice**, I'm looking for people willing to coordinate some of the upcoming outings, as I'm getting a bit burned out after 2 ½ months of handling everything myself. Coordinating is a much simpler process for the rest of this year compared to the prior year. All you need to do is:

- Take the RSVPs
- Set up the pairings
- Coordinate with the course on the final count
- Provide a short recap for the newsletter

### Golf Chair Message

We're now in Phase 4 of the Coronavirus recovery plan, and things have changed a bit again. It's now ok for people from different households to share a cart, and this is making things a bit more complicated for us. When signing up for an outing, please be sure to indicate whether you're walking or riding. If riding, indicate

## NATIONAL OFFICE INFORMATION

### Upcoming Multi-Chapter Events (see [SinglesGolf.com/events](http://SinglesGolf.com/events))

ASGA National is slowly working towards TWO multi-chapter events for this year, however, contracts have **not** been signed but we are "penciled-in" with anticipation of signing soon. **Details out soon\***:

- **ASGA in Charleston, SC—Labor Day Weekend.** Arrive at the Francis Marion Hotel on Thursday, Sept. 3, depart Sunday, Sept. 6. (Labor Day is Sept. 7). Package includes 3 nights' stay, 2 rounds of golf, 3 breakfasts, welcome reception and 3 dinners.
- **Reunion in Pinehurst—Arrive Sunday, Nov. 8, depart Wednesday, Nov. 11.** Package includes 3 nights' stay, 2 rounds of golf, 3 breakfasts, welcome reception and 3 dinners.
- **Bringing in the New Year 2021—Arriving in Florida on Sunday, January 3, departing January 6.** Looking at locations now. We believe we'll get some great rates when, as traditionally happens, the crowds return home after the New Year's holiday. Stay tuned.

\* All events subject to change once contracts have been signed.

For most of the courses we're each paying in the pro shop individually, so no need to collect money, checks or coupons from anyone, and we're not doing contests so no coupons to hand out. There won't be any coordinators' coupons this year, but hopefully some of you will be willing to help out anyway. Please drop me a note letting me know which courses you're interested in handling. And, as you RSVP for an outing, please check the website to see who's taking RSVPs.

We've had some great turnouts lately, so it's becoming more important to RSVP early. We've had waiting lists for some of our rounds, and if I had known before the deadline more people wanted to play, I could have gotten more tee times. So don't delay on those RSVPs! I hope to see all of you out on the course soon.

*-Marie Bush, [Shrub8@hotmail.com](mailto:Shrub8@hotmail.com)*

On June 14, 24 ASGA golfers ventured to the southside to visit the Ravines at Cog Hill. By definition, a ravine is a deep valley that is typically narrow with steep sides. The name fits the course and the challenge awaited ... **Tim Ryan** was not intimidated and managed a 50-foot birdie chip on hole 10 out of the surrounding trenches. Birdie juice was had by some 😊. **Paul Gentile** and **John Edmundson** continued their annual friendly rivalry with **John** having the better score. Uh-oh.. stay tuned for the tie-breaker next year! It was great to see **Ray, Joanne, Doug F, Mark T** as well as the usual suspects. And of course, thank you Marie for your hard work in making it possible to safely play these fabulous courses.

*Twenty golfers enjoyed Village Links on June 21. Spots filled up quickly. Unfortunately, more tee times couldn't be added.*

Twenty golfers tested their skills at Chalet Hills on Saturday, June 27. A few brave ones willing to face the heat and the hills walked the course. However, some had to switch to riding before the end as it was really hot. But, it was a beautiful day and the course was in pretty good condition after the first 5 holes considering they had a torrent of rain come through the night before. There was lots of fun and challenging shots to discuss over drinks on the patio after.

Back to the southside... Yes, ASGA gets around! On June 28, ASGA had the opportunity to play Coyote Run Golf Club in the ole town of Flossmoor. This was a make-up round for a rainout earlier in the season. Rumor has it that Coyote Run was a welcoming "easier" course than the last couple, following Chalet Hills yesterday. Nevertheless, a new day of golf brings its challenges.... Upon arriving at the course, our members started the front nine with a sprinkle of rain. Challenges continued with holes being backed up and a very hot summer afternoon sun --- HOT! Twelve golfers signed up but some bailed out after 9 because of the wait time and backups (not caused by our group). We can't predict the weather nor the busyness of a popular course, but what we did promise is a fun day of laughter and chatting while waiting our turn to tee off. Fun day was had by all and drinks following the round; what else can one ask for on a Sunday afternoon?

**SUNSET VALLEY**  
golf club  
— est. 1920 —

Twenty-two ASGA golfers enjoyed great weather at Sunset Valley on June 7. It's a narrow course so there was no shortage of lost golf balls. However, **Greg** birdied a hole and a beautiful red-tail hawk was viewed on a par 3. After golf a round of lemoncello courtesy of **Tim** was enjoyed at the pretty clubhouse/patio area.

On June 6, twenty-four ASGA golfers enjoyed the most beautiful day and scenery at The Preserve at Oak Meadows. Gotta say it was by far the best weather for golf so far this year....yet! Social distancing didn't hamper our day as we heard "Great shot," "Boy this is a tough course" or "It's so good to see you!" A few of us enjoyed an after-golf gathering in the parking lot sharing the highs and lows of our rounds. All in all, a great day of friends and golf.

Thirteen golfers teed off to beautiful weather and great course conditions at Harborside on June 20. Things got a little dicey around the turn when the wind kicked up and the rain lashed out for about 10 or 15 minutes. But, for those who stuck around to play the back, once that passed there was just a bit of drizzle here and there, followed by beautiful weather again to end the round. We gathered on the deck to enjoy the weather and some drinks after finishing.

We had some festive holiday attire among the 13 golfers who came out to play on July 4 at Eaglewood. It would have been 14, but somebody had a malfunction of their gar-

age door and couldn't get their car out. The course was short and had more hills than we were expecting. It had some challenging greens that were in great shape, so was fun for those of us who hadn't played it before. **Kate** was oh-so close to having her first hole in one on one of the par 3s, but not quite. But, of course, she did get the birdie!

On July 5 we had 24 golfers come out to Pine Meadow. It could have been more if there were earlier RSVPs. Always a favorite, the course didn't disappoint and nobody passed out from the heat, so we were able to enjoy a beer or two at the picnic tables in the shade after.

Thank you to **Marie** and **Colleen** for outing recaps and photos!

If you have a newsletter article/notice, please submit it to [clpausic@aol.com](mailto:clpausic@aol.com). Next month please send on by August 5 for August's newsletter.

## About Our Members

(THIS REPORT RAN 07/09/2020)

### Happy Birthday to these members:

- Linda Blinks - 07/23
- Robert Lewandowski - 08/08
- Barry Mathews - 07/31
- Diane Meister - 07/01
- Greg Mieczynski - 07/02
- John Miller - 07/18
- Colleen Nelms - 07/26
- Jeanne Schneeberger - 08/04
- Peggy Sodini - 07/24
- Gregg Straley - 08/07
- Alice Zyks - 07/17

### These members are up for renewal:

(date shown is last day of membership)

- Patrice Al-Saden - 07/31/2020
- Sherry Brandys - 07/31/2020
- Bernadette Glass - 07/31/2020
- Madelon Silgalis - 07/31/2020

### Welcome newest members:

- Barry Mathews - Joined 05/18/2020
- Sheila Ramacci - Joined 06/18/2020

### These members recently renewed:

- Kathy Braun
- Bill Erickson
- Kathy Hendrickson
- Matthew Kogan
- Margaret Onken
- Jay Thompson
- Joe Torcivia
- Ruth Wiechmann Browne

### These members did not renew their dues:

- (date shown is date membership expired)
- Katherine Maraffino - 05/31/2020
  - Mari Lou McCann - 06/30/2020
  - Seth Porter - 06/30/2020
  - Raymond Vogel - 06/30/2020

To renew your dues today, go to [SinglesGolf.com/renew](http://SinglesGolf.com/renew) If you wish to renew over the phone, call 980-833-6450, M-F, 9-2 Eastern Time.

**Our chapter currently has 76 members.**

## COVID-19 Rules and Handicapping FAQs

The guidance below supplements a memo released by the USGA as to how the Rules of Golf and Rules of Handicapping apply in response to questions received from golf course owners, administrators, tournament organizers and golfers. As was noted in that memo, it is not the intended purpose of the below guidance to either encourage or discourage anyone from playing the game, but rather, in our governance role, to help golf course operators, committees and golfers better understand how the Rules of Golf and Rules of Handicapping apply to the various questions we have received.

The questions received fit into four main topics. In each of the four topics below, the guidance provided serves both to directly answer the questions asked as well as cover additional considerations that might also serve useful.

### FLAGSTICK

---

**May a course remove all flagsticks to minimize the possibility of exposing players to coronavirus?**

**May a committee introduce a code of conduct that does not allow players to remove (or even touch) the flagstick?**

- The flagstick serves an important purpose in the game of golf – that is as an indicator to a player as to where the hole is located on the putting green or a target for shots.
- If a Committee decides to set-up a golf course without flagsticks, consideration should be given as to how best to support such a decision by providing players the location of each hole on the green. Whether this is general guidance (such as in the right front portion) or through a detailed hole-location sheet.
- As another means of minimizing exposure to players, a Committee might decide to introduce a code of conduct that prohibits players from touching or removing the flagstick. As is authorized under Rule 1.2b, such a code could also include penalties (such as one penalty stroke or the general penalty) if a player is in breach of its standards.
- Before a Committee decides to introduce such a restriction, it is recommended that consideration be given to the fact that removing the flagstick is an instinctual, even automated, act for many players. Drafting such a code of conduct to restrict only deliberate acts to affect the outcome of the hole would be reflective of that reality and would mean that a player who instinctually removes the flagstick would not get a penalty in doing so.
- If a Committee takes any of the above actions, it is at the discretion of the Committee whether scores would be acceptable for handicap purposes.

### BUNKERS AND BUNKER RAKES

---

**We have removed all bunker rakes from our course to help stop the spread of coronavirus. What options do we have for players who end up in unraked areas?**

- By removing rakes from the course, the Committee has various options as to how best to address the likely possibility of a player's ball coming to rest in an unmaintained area of sand and should consider which is the best approach under your unique circumstances.
- If you have limited play and most players at your course use a golf cart, the best approach might be to ask that each player takes a rake with them.
- If it is decided that no additional Rules will be put into effect to deal with these areas, it would be advisable to strongly encourage that players try their best to smooth the disturbed area with a foot or a club.
- Additional options could include changing the status of bunkers to be part of the general area. This would give players additional options under multiple relief rules (Rules 16 and 19) and would remove the restrictions normally in effect under Rule 12.
- Ground under repair could be used in two different manners. The first being to declare all bunkers to be ground under repair and treat them as part of the general area. This would allow players the option to take free relief outside the bunker under Rule 16.1. The second is to treat disturbed areas only as ground under repair. This would still allow a player free relief from such areas, but would require such relief to be taken elsewhere within the bunker.
- As a last resort, we have fielded questions as to whether a Committee may add a preferred local rule that would allow a player to place the ball elsewhere in a bunker without penalty (such as within one club length of where the ball came to rest). While that may seem like a good option in that it requires players to play from the bunker, there will be times when no effective relief would be available to a player, such as when a bunker is frequently played from and large areas are unraked. It would be recommended that the other options, such as those listed above are considered first, noting that using

the ground under repair options above ensure a player will get full relief and when dropping from knee height, balls very rarely plug.

- If a Committee takes any of the above actions, it is at the discretion of the Committee whether scores would be acceptable for handicap purposes.

## **SCORECARDS AND SCORING**

---

**We are holding a competition, but want to limit how scorecards are exchanged both between players and after the round to the Committee. Do you have any recommendations?**

- The Rules already allow numerous options to address these concerns noting that certifying a score does not require a physical signature, nor does it require a physical scorecard.
- If a Committee wishes to run a competition using a form of electronic scoring, this could come in many forms, such as asking that each marker send an email to the Committee and the player he or she is marking for, including the player's hole-by-hole scores. The player can then reply to verify the accuracy of the card.
- When electronic methods are used, such as the email example above or similar methods that involve text messaging, the Committee should decide when a scorecard would be considered to have been returned. For example, this could be when the player responds certifying that the scores are correct or some other action that the Committee might consider more appropriate.
- A Committee might also wish to employ the above method but also combine these with a physical scorecard by having the marker take a picture of the completed scorecard and either email or text it to the Committee using the same process described above.
- If physical scorecards are the preferred method, a Committee may wish to have the player and marker not exchange cards but rather verbally communicate the hole-by-hole scores to the Committee verbally in the scoring area. Additionally, verbal confirmation could be a substitute for the physical signature. As with the electronic scoring methods described above, the Committee should be diligent to clearly define when a scorecard has been returned, such as when a player leaves the golf shop if that is where the process takes place.
- If a Committee takes any of the above actions, it is at the discretion of the Committee whether scores would be acceptable for handicap purposes.

## **MODIFICATIONS TO THE HOLE; NOT REQUIRING THAT PLAYERS HOLE OUT**

---

A number of questions have been received that relate to modifying the hole so that players no longer need to reach into the hole to remove a ball to minimize the possibility of exposing golfers to coronavirus.

These have included some courses setting holes so that the hole liner remains an inch or two above the surface of the green while others have placed various objects into the hole or around the flagstick (such as foam pool noodles or plastic piping) so that a ball is unable to fall to the bottom.

While in all of these instances, the ball is not holed per the Rules of Golf (Rule 3.3c), a round played under these conditions will result in an acceptable score for handicap purposes using the most likely score guidelines (see Rule 3.3 of the Rules of Handicapping).

While the most likely score procedure is intended to support certain formats of play where the player is not required to hole out (such as in match play when the player's next stroke is conceded or in fourball stroke play when a partner picks up), it is also temporarily in effect where the above described safety measures are being used.

When using most likely score, the player should consider the number of strokes most likely required to complete the hole, and determine whether the ball would have been holed or not. Most likely score is at the player's best judgment and should not be used to gain an unfair advantage.

This measure is temporary and in effect within the United States until advised otherwise by the USGA.

The above guidance will continue to be updated. If you have any questions or concerns, you can contact the Rules of Golf and Rules of Handicapping departments by going to [www.USGA.org](http://www.USGA.org).
