Chicago Chapter - American Singles Golf Association - February 2022

SAVE THE DATE: SEASON KICK-OFF EVENT - MAY 14TH

President's Message

Hello ASGA'ers! Unfortunately, the groundhog saw his shadow, so it is at least six more weeks before we can hit the links in Chicagoland. As I type this, it is 14 degrees outside, I'm watching the Pebble Beach (bucket list!) Pro-Am, and counting down the 98 days until our kick-off outing. Mark your calendars for May 14!

Even though we are in the middle of winter, there is a lot of activity underway, planning for a busy, fun summer of golf. **Sue Herman** and **Marie Bush** are busy contacting courses and building our season schedule. **Jay Thompson** is hard at work planning his annual outing on June 18. We are also working on the plans for our annual Ryder Cup-style Challenge. **Kathi Brown** is working on ideas for a social

event to kick off 2022 and shake off the COVID and winter blues.

I've been in touch with a few places like Eagle Ridge in Galena, Lake Geneva, and Deere Run for a possible local weekend getaway. If you see a SurveyMonkey email pop up in your Inbox, it's not spam. It will be a quick survey to see what the group might be interested in for some golf getaway options.

Not to be a broken record, but any suggestions you have, any course suggestions, and volunteering to be a coordinator will really help enhance our group experience! Keep practicing those putts on the living room floor --- spring is on its way!

Golf Chair Message

Plans are starting to come together for our 2022 golf season. We are still working on a location for our Season Kick-Off event....so mark your calendars and hold the date, Saturday, May 14.

If you want a break from the cold/snowy Chicago winter, consider the ASGA National trip to the Charleston, SC area from March 20-23, 2022. Check out the Nation-

al website: www.singlesgolf.com

Some of our current members had a fun reunion progressive dinner in the Villages in January, put together by past members, Deb Bradel & Don Gagne, who live there permanently. Other past Chicago members joining the festivities were Michael Daugherty and Bonnie Linklater, Villages' residents. Current & former members visiting Florida included **Cathy Hill** and **Dave Halper**, **Marie DiVirgilio** and **Tim Dowling**, **Robin Rash**, **John Edmondson**, **Margaret Onken**, **Ray Kalal**, **Joanne Jacobs**, **Keith** and **Joanne Reifel** and, yours truly, **Susan Herman**. It was a fun two days even with the 30-mile/hour winds on Sunday when several of us quit after 9 holes! The big game winners were **Deb Bradel** and **Robin Rash**. Congrats! And thanks to all those who hosted portions of our progressive dinner!

Thanks to members who have sent me ideas for golf courses to add to our list this season: **Sharon Meyer**, **Matt Kogan** and **Rick Seaberg**. I'll be investigating all of your suggestions!

Stay warm and see you in the Spring.

Social Chair Message

Happy February! The days are definitely getting longer and maybe causing us to start thinking just a tiny bit about golf season? Unfortunately, the annual Golf Show was cancelled again due to Covid concerns. Things are beginning to look like Omicron will soon be on its way out, and hopefully restrictions will soon be lifted and we can again plan social events. We are looking forward to having a Kick-Off Event to get our season off to a rousing start! Stay safe and stay tuned...

Lament of a Snowbound Golfer

By Susan Barton

A peek out my window – and what do you know?
My neighborhood golf course is covered with snow.

I fought the temptation to pack them away
But my clubs in the trunk whispered, “just one more day”.

It seems Mother Nature with her frosty white scheme
Decidedly altered my post-season dream.

The Eskimo Open is coming up fast
I'm planning to be there but wishing I'd passed.

For starters, the tee box, it just makes me miffed
For now all I see is a humongous drift.

My take on the fairways - they're really not fair.
That sweet lie means zip when you can't see it there.

My putting wouldn't amount to a big hill o' beans
'Cuz snow heaps and ice have buried the greens.

Do you think there's a cart with snowmobile tread?
No doubt the rangers would be after my head.

The best course of action calls for Plan B
And not necessarily golfing with Wii.

Rather than gripe, I'll just get a grip -
It's time to start planning my Florida trip!

Our chapter currently has 86 members.

Your chapter newsletter follows after the following pages . . .

ASGA Annual Dues are \$89.00. Do you want LOWER DUES?

HOW WOULD YOU LIKE ONE YEAR OF FREE DUES?

You likely joined the American Singles Golf Association because you wanted to meet more singles and play more golf. We can't help you with your golf swing, however, we're on a mission to grow your chapter's membership. ***Golf season is upon us . . . are you onboard to grow your chapter or are you satisfied with your current membership level?***

Here's the plan:

- 1) on the following page, you'll see a revised "***Single? Play Golf?***" sign. It now has five (5) tear-off tabs instead of eight (8).
- 2) You write-in your identification (either your member number or first initial + last name) on each of the tabs. Use scissors to cut the tabs apart.
- 3) You print as many signs as you wish, keep them in the front seat of your car along with some push pins and post them ***anywhere you're permitted*** to post, e.g. golf shop bulletin boards, golf shop restrooms, driving ranges, stores, etc. ***If you would like ASGA National to print five (5) yellow signs for you, please let us know by emailing Irene@SinglesGolf.com or calling 980-833-6450 from 9am-1:45pm, M-F, Eastern.***
- 4) For every three (3) people who join using your name or ID on the yellow sign, you'll receive 12-months of ASGA membership. Note: your name or member number, as the referrer, must be submitted **with** the new member's application. No exceptions. No retroactivity. Please do not add your own name to an application form. It must be completed only the by the member currently joining and completing the application.
- 5) New members can join over the phone, at our website (SinglesGolf.com/join), fax, etc., however, **they MUST use your member number or name at the time of joining as the person who referred the new member. Again, no exceptions to this policy.**
- 6) ASGA National will keep track of how many new members you get credit for and will automatically add 12-months to your membership. Please, no slanting of these rules

**Be a Hero in Your Chapter.
Get the signs printed and get them hanging!
*(and remind others to participate)***

IN ADDITION, WE CAN SEND YOU FREE BUSINESS CARDS!

As you have seen from the previous two pages of this newsletter, ASGA National is committed to seeing your chapter grow. We believe by asking each individual member for help, your chapter will grow its membership.

Besides using just the yellow signs to gain more members in your local chapter, **upon request** we will also provide you with ASGA business cards as shown below. More can be sent to you if needed, but we'll start out by sending you 25 business cards that you can give to anyone you believe might be a potential member. Are you out and about and see someone wearing a golf shirt or hat? **Start a conversation:** tell them you're a part of a local club for singles who play golf and simply ask **"are you single?"** Even if they aren't, chances are they know a golfer who is. Give them a card that's pre-filled with you name (or member #) and contact info.

Remember, you get free dues for referring 3 new folks who join!

Below shows how your business card appears. They don't come to you automatically, you'll have to order them. E-mail Irene@SinglesGolf or call 980-833-6450 (9am—1:30pm, Mon-Fri, Eastern) for your free 25 cards.

The back side of the business card is a form with the following fields: "ASGA Member" followed by a blank line, "Call / Text" followed by a blank line, and "When joining, please be sure to reference my name or member number on the application form. COVID-19 Rules and Handicapping FAQs

The guidance below supplements a memo released by the USGA as to how the Rules of Golf and Rules of Handicapping apply in response to questions received from golf course owners, administrators, tournament organizers and golfers. As was noted in that memo, it is not the intended purpose of the below guidance to either encourage or discourage anyone from playing the game, but rather, in our governance role, to help golf course operators, committees and golfers better understand how the Rules of Golf and Rules of Handicapping apply to the various questions we have received.

The questions received fit into four main topics. In each of the four topics below, the guidance provided serves both to directly answer the questions asked as well as cover additional considerations that might also serve useful.

FLAGSTICK

May a course remove all flagsticks to minimize the possibility of exposing players to coronavirus?

May a committee introduce a code of conduct that does not allow players to remove (or even touch) the flagstick?

- The flagstick serves an important purpose in the game of golf – that is as an indicator to a player as to where the hole is located on the putting green or a target for shots.
- If a Committee decides to set-up a golf course without flagsticks, consideration should be given as to how best to support such a decision by providing players the location of each hole on the green. Whether this is general guidance (such as in the right front portion) or through a detailed hole-location sheet.
- As another means of minimizing exposure to players, a Committee might decide to introduce a code of conduct that prohibits players from touching or removing the flagstick. As is authorized under Rule 1.2b, such a code could also include penalties (such as one penalty stroke or the general penalty) if a player is in breach of its standards.
- Before a Committee decides to introduce such a restriction, it is recommended that consideration be given to the fact that removing the flagstick is an instinctual, even automated, act for many players. Drafting such a code of conduct to restrict only deliberate acts to affect the outcome of the hole would be reflective of that reality and would mean that a player who instinctually removes the flagstick would not get a penalty in doing so.
- If a Committee takes any of the above actions, it is at the discretion of the Committee whether scores would be acceptable for handicap purposes.

BUNKERS AND BUNKER RAKES

We have removed all bunker rakes from our course to help stop the spread of coronavirus. What options do we have for players who end up in unraked areas?

- By removing rakes from the course, the Committee has various options as to how best to address the likely possibility of a player's ball coming to rest in an unmaintained area of sand and should consider which is the best approach under your unique circumstances.
- If you have limited play and most players at your course use a golf cart, the best approach might be to ask that each player takes a rake with them.
- If it is decided that no additional Rules will be put into effect to deal with these areas, it would be advisable to strongly encourage that players try their best to smooth the disturbed area with a foot or a club.
- Additional options could include changing the status of bunkers to be part of the general area. This would give players additional options under multiple relief rules (Rules 16 and 19) and would remove the restrictions normally in effect under Rule 12.
- Ground under repair could be used in two different manners. The first being to declare all bunkers to be ground under repair and treat them as part of the general area. This would allow players the option to take free relief outside the bunker under Rule 16.1. The second is to treat disturbed areas only as ground under repair. This would still allow a player free relief from such areas, but would require such relief to be taken elsewhere within the bunker.
- As a last resort, we have fielded questions as to whether a Committee may add a preferred local rule that would allow a player to place the ball elsewhere in a bunker without penalty (such as within one club length of where the ball came to rest). While that may seem like a good option in that it requires players to play from the bunker, there will be times when no effective relief would be available to a player, such as when a bunker is frequently played from and large areas are unraked. It would be recommended that the other options, such as those listed above are considered first, noting that using

the ground under repair options above ensure a player will get full relief and when dropping from knee height, balls very rarely plug.

- If a Committee takes any of the above actions, it is at the discretion of the Committee whether scores would be acceptable for handicap purposes.

SCORECARDS AND SCORING

We are holding a competition, but want to limit how scorecards are exchanged both between players and after the round to the Committee. Do you have any recommendations?

- The Rules already allow numerous options to address these concerns noting that certifying a score does not require a physical signature, nor does it require a physical scorecard.
- If a Committee wishes to run a competition using a form of electronic scoring, this could come in many forms, such as asking that each marker send an email to the Committee and the player he or she is marking for, including the player's hole-by-hole scores. The player can then reply to verify the accuracy of the card.
- When electronic methods are used, such as the email example above or similar methods that involve text messaging, the Committee should decide when a scorecard would be considered to have been returned. For example, this could be when the player responds certifying that the scores are correct or some other action that the Committee might consider more appropriate.
- A Committee might also wish to employ the above method but also combine these with a physical scorecard by having the marker take a picture of the completed scorecard and either email or text it to the Committee using the same process described above.
- If physical scorecards are the preferred method, a Committee may wish to have the player and marker not exchange cards but rather verbally communicate the hole-by-hole scores to the Committee verbally in the scoring area. Additionally, verbal confirmation could be a substitute for the physical signature. As with the electronic scoring methods described above, the Committee should be diligent to clearly define when a scorecard has been returned, such as when a player leaves the golf shop if that is where the process takes place.
- If a Committee takes any of the above actions, it is at the discretion of the Committee whether scores would be acceptable for handicap purposes.

MODIFICATIONS TO THE HOLE; NOT REQUIRING THAT PLAYERS HOLE OUT

A number of questions have been received that relate to modifying the hole so that players no longer need to reach into the hole to remove a ball to minimize the possibility of exposing golfers to coronavirus.

These have included some courses setting holes so that the hole liner remains an inch or two above the surface of the green while others have placed various objects into the hole or around the flagstick (such as foam pool noodles or plastic piping) so that a ball is unable to fall to the bottom.

While in all of these instances, the ball is not holed per the Rules of Golf (Rule 3.3c), a round played under these conditions will result in an acceptable score for handicap purposes using the most likely score guidelines (see Rule 3.3 of the Rules of Handicapping).

While the most likely score procedure is intended to support certain formats of play where the player is not required to hole out (such as in match play when the player's next stroke is conceded or in fourball stroke play when a partner picks up), it is also temporarily in effect where the above described safety measures are being used.

When using most likely score, the player should consider the number of strokes most likely required to complete the hole, and determine whether the ball would have been holed or not. Most likely score is at the player's best judgment and should not be used to gain an unfair advantage.

This measure is temporary and in effect within the United States until advised otherwise by the USGA.

The above guidance will continue to be updated. If you have any questions or concerns, you can contact the Rules of Golf and Rules of Handicapping departments by going to www.USGA.org.
